

Workshops

Workshops

Get ready to dive into 75 minutes of inspiration, ideas, and practical takeaways—tailored just for JCC pros like you. Whether you're all about programming, fundraising, fitness, marketing, early childhood, or something else entirely, there's a session (or three) with your name on it. No need to sign up in advance or know anything at all about the topic at hand—just show up, grab a seat, and jump in.

Across three time blocks, ProCon will offer some 25 dynamic workshops, all designed to spark new thinking, strengthen your skills, and fuel your work back home. Choose from among these timely—and timeless—topics:

- **Leadership and Management**
- **Professional and Career Development**
- **Programming**
- **Community Engagement and Outreach**
- **Jewish Learning, Israel, and Identity**
- **Creating a Culture of Belonging**
- **Health, Wellness, and Self Care**
- **Specialty and Creative Programs**

Further details will be added as available and JCC professionals will be notified.
