

Movement Moments

Three distinct and unique experiences. One room, one movement, all together.

Movement Moments burst with creativity, celebration, and collective energy, moving us from “me” to “we.” From kickoff to closing, these are the moments you’ll carry home.

Expect big feelings. Big music. Big movement. Because these moments move us.

The conference planning is still in motion, shaped by ideas and input from JCC pros across the field. There’s lots more to come!
